During Jan. 2005, 147 homes were **SOLD** compared to 145 homes in 2004; 156 in 2003; and only 71 in 2001. Our inventory is up from last year 18% to 687 homes. **Our average price went for the first time ever over \$300,000 to \$307,809.** That makes January a great month. With interest rates staying down, we are looking forward to a great year for Kelowna!
