During April 2004; 275 homes were **SOLD** compared to 241 in 2003.

Our average home price increased from \$264,780 in March to a record of **\$276,865 for April**
However, our lakefront is the real winner! How would you feel if you bought a home on the lake
for \$148,652 in 1987 and sold it today for over a **million dollars?**

For more info and stats please call me anytime at 868-8000.
